**Vision**
A caring community united for a safer Carolina.

**Mission**
To create a campus-community environment that promotes healthy and safe behaviors among faculty, staff, students and community organizations.

**Purpose**
To build capacity and to perform ongoing assessment, planning, implementation, and evaluation of substance abuse prevention strategies, and to make recommendations for policy change.

**Goal**
To contribute to the overall reduction of high risk substance use and its consequences at the University of South Carolina-Columbia.

**Priorities**
- Reduce high risk drinking and the negative consequences associated with drinking in bars
- Reduce prevalent drinking in off campus residences
- Reduce prevalent high risk drinking on football game days
- Reduce other high risk substance use
