Gamecock Pantry is a campus food pantry that is run for students, by students and open to any USC student with a Carolina Card. The Pantry is lead by students, students volunteer during operating hours, students and faculty donate the food, and students are served.

St. Andrews Kids Café, an agency of Harvest Hope Food Bank, is an outreach program of St. Andrew Baptist Church that provides free after-school childcare for at-risk students in grades K-5. They provide activities, homework assistance, tutoring, mentoring, a hot meal, and positive role models for the students.

If you have any questions about the project, please contact the Leadership and Service Center at lsc@sc.edu.
