USC Division of Law Enforcement & Safety

- The USC Community is vibrant and active
- We are located in an open, urban environment
- We all play a role in keeping ourselves and our community safe
• Full Service Police Department

• 70 sworn officers

• State-wide jurisdiction

• Excellent relationship with other area law enforcement agencies
• USC Police patrol campus 24 hours a day, 365 days a year

• Response time is generally within just a few minutes

• USC Police officers retain high visibility on and around campus through the use of walking, bike, and police vehicle patrol
Emergencies: Dial 911

- From USC landline or cell phone
- State your location on campus and emergency

Non-emergencies: 803-777-4215

The Carolina Alert Emergency Notification System is a set of communication media that the University can use to notify the community in the event an incident affects our campus.

Carolina Alert Website:  www.sc.edu/carolinaalert

Your one-stop emergency information source

• University status & Carolina Alert updates
• Emergency Plans
• How to receive notifications
• What to do in an emergency
Emergency Call Boxes

• Over 250 call boxes around campus

• Familiarize yourself with callbox locations as you travel on and around campus

• Simply push the red button to activate to activate
Emergency Call Boxes

• Immediate connection with USC Police dispatcher

• The dispatcher will know your exact location

• Cameras on many call boxes
USC provides various shuttle services for your use, including during the evening and late night hours.

Visit [www.sc.edu/vmps/shuttle](http://www.sc.edu/vmps/shuttle), or call USC parking services (803-777-3351) for shuttle information.

If you feel unsafe on or around campus call USC Police for an officer to respond.
• Remain alert while traveling around campus

• Be aware of your surroundings

• Minimize use of cell phone/texting

• Trust your instincts – if a place or situation does not seem right, it probably isn’t...Leave
• Have a safety plan in mind in case you encounter an unsafe situation

• Don’t walk alone after dark, walk in groups of 3 or more

• Avoid shortcuts or isolated areas when walking after dark

• When traveling in your vehicle, keep windows up and doors locked
Theft is the most common crime on campus

Keep your valuables secure and don’t leave personal property unattended

Register your personal property with USCPD

Always lock your residence hall room

Report suspicious persons or activity to the police immediately
We are all the eyes and ears of campus

Any campus safety suggestions or concerns call:
Capt. Eric Grabski (803) 777-1200
Sgt. Kenneth Adams (803) 777-0855
USC Police Department: (803) 777-4215
