Don’t Be a Fool

“The fool doth think he is wise, but the wise man knows himself to be a fool.”

— William Shakespeare, As You Like It
“Becoming is better than being”

— Carol S. Dweck, Mindset: The New Psychology of Success
Listen to Einstein

*Insanity: doing the same thing over and over again and expecting different results.*

-Albert Einstein
Remember 168
“The only person who is educated is the one who has learned how to learn and change.”

— Carl R. Rogers
"Success is 99% failure"

I've missed more than 9000 shots in my career. I've lost almost 300 games. 26 times, I've been trusted to take the game winning shot and missed. I've failed over and over and over again in my life. And that is why I succeed.

~ Michael Jordan

- Henry Ford
Education is more than job preparation

“Intelligence plus character—that is the goal of true education.”
MLK
“What you're supposed to do when you don't like a thing is change it. If you can't change it, change the way you think about it. Don't complain.”

-Maya Angelou
Don’t aim at success

- Viktor E. Frankl, Man's Search for Meaning
