Graduation with Leadership Distinction: Global Learning

Students who participate in Study Abroad and meet additional requirements can earn Graduation with Leadership Distinction in Global Learning. The culminating requirement for GLD is an E-Portfolio that helps tell their story of how their study abroad experience fits with their academic and career goals. The Graduation with Leadership Distinction appears on their transcript and diploma.

For more information visit the USC Connect table at the Resource Fair or visit their website at [http://www.sc.edu/uscconnect/](http://www.sc.edu/uscconnect/)
