What Students Say

“U101 equipped me with all the necessary tools and information for an easy transition into college. The small classroom size is a great setting to make friends and a perfect opportunity to become close with the USC faculty and staff.” – Kendall Roberson, Environmental Science, Class of 2018

“U101 helped me become familiar with all of the campus resources. It prepared me for my next three years at Carolina, my home away from home.” – Allie Robertson, Public Health, Class of 2018
